Lars - Thanks for all of the info on this. Once more question for now. In your number below, 365,569 notices received in 2015. Rightscorp was 246,322 which leaves 119,247. Can you give me a breakout of the remaining largest Entity sources of these requests.

Thank you,
Lamar

I pulled something like this for Dale a few months ago. These are all DMCA notices emailed to us at either dmca@mygrande.com or abuse@mygrande.com.

Do you want a guess or actual count?
